Meet the Founder

Carm Cicalese

Carm served for twenty-nine years in the United States Army and believes in lifelong education. So, most CYBER CIC consultants have experience in the military, academia, or both.

Now, Carmine leads CYBER CIC, LLC, to assist clientele in making better cyber, information and cognitive security decisions. He applies his experiences of leading functionally and demographically diverse organizations in a variety of austere, office and educational situations. Carmine volunteers as a mentor for the Military Cyber Professionals Association and as a Board Advisor for the Information Professionals Association. He also serves as a prepublication editor for Joint Forces Quarterly.
